

SPONSORSHIP OPPORTUNITY

Training and Capacity Building Division (TCB) of Quality Council of India (QCI), provides a golden opportunity to sponsor its training programs.

TCB imparts trainings in a wide spectrum of courses through different modes which includes classroom trainings, virtual trainings, webinars, and eLearning. On the specific requirements of the client, TCB provides customized training courses at their chosen venue.

TCB has been collaborating with Government, Regulators, Academic Institutions, and Industrial Associations and providing regular and customized training courses to them.

Additionally, the clientele of TCB includes international clients. TCB has been working in conjunction with international organizations and striving to build capacity in other countries by sharing knowledge and best practices through trainings.

TCB programs cover a wide range of topics and the faculty are experienced world-class trainers. With the profound experience and market recognition, training courses by TCB, QCI are attended by numerous professionals.

TCB platform provides an excellent opportunity for organizations looking to market themselves and showcase their forte in their specific fields to the trainees through sponsoring our training programs and reaching out to the target audience segment thereby achieving their objectives.
