Introduction

Quality Council of India (QCI), an autonomous body under the Department for Promotion of Industry & Internal Trade (DPIIT), Ministry of Commerce & Industry, Government of India.

Training and Capacity Building (TCB), an independent Cell under the ambit of QCI, coordinates training, awareness workshops, and capacity-building activities at the national and international levels.

OUR MISSION

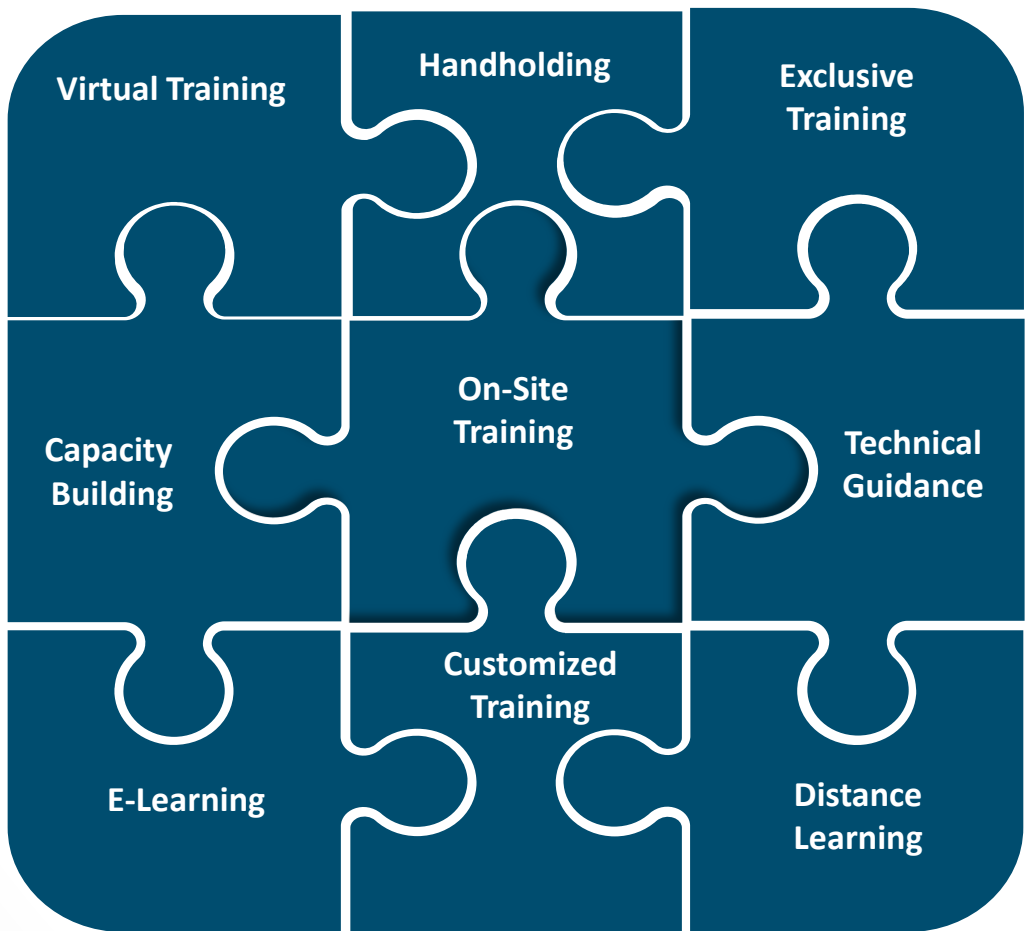

“To contribute to the society through the pursuit of training, education, learning and garnering awareness to the highest international levels of excellence.”

OUR VISION

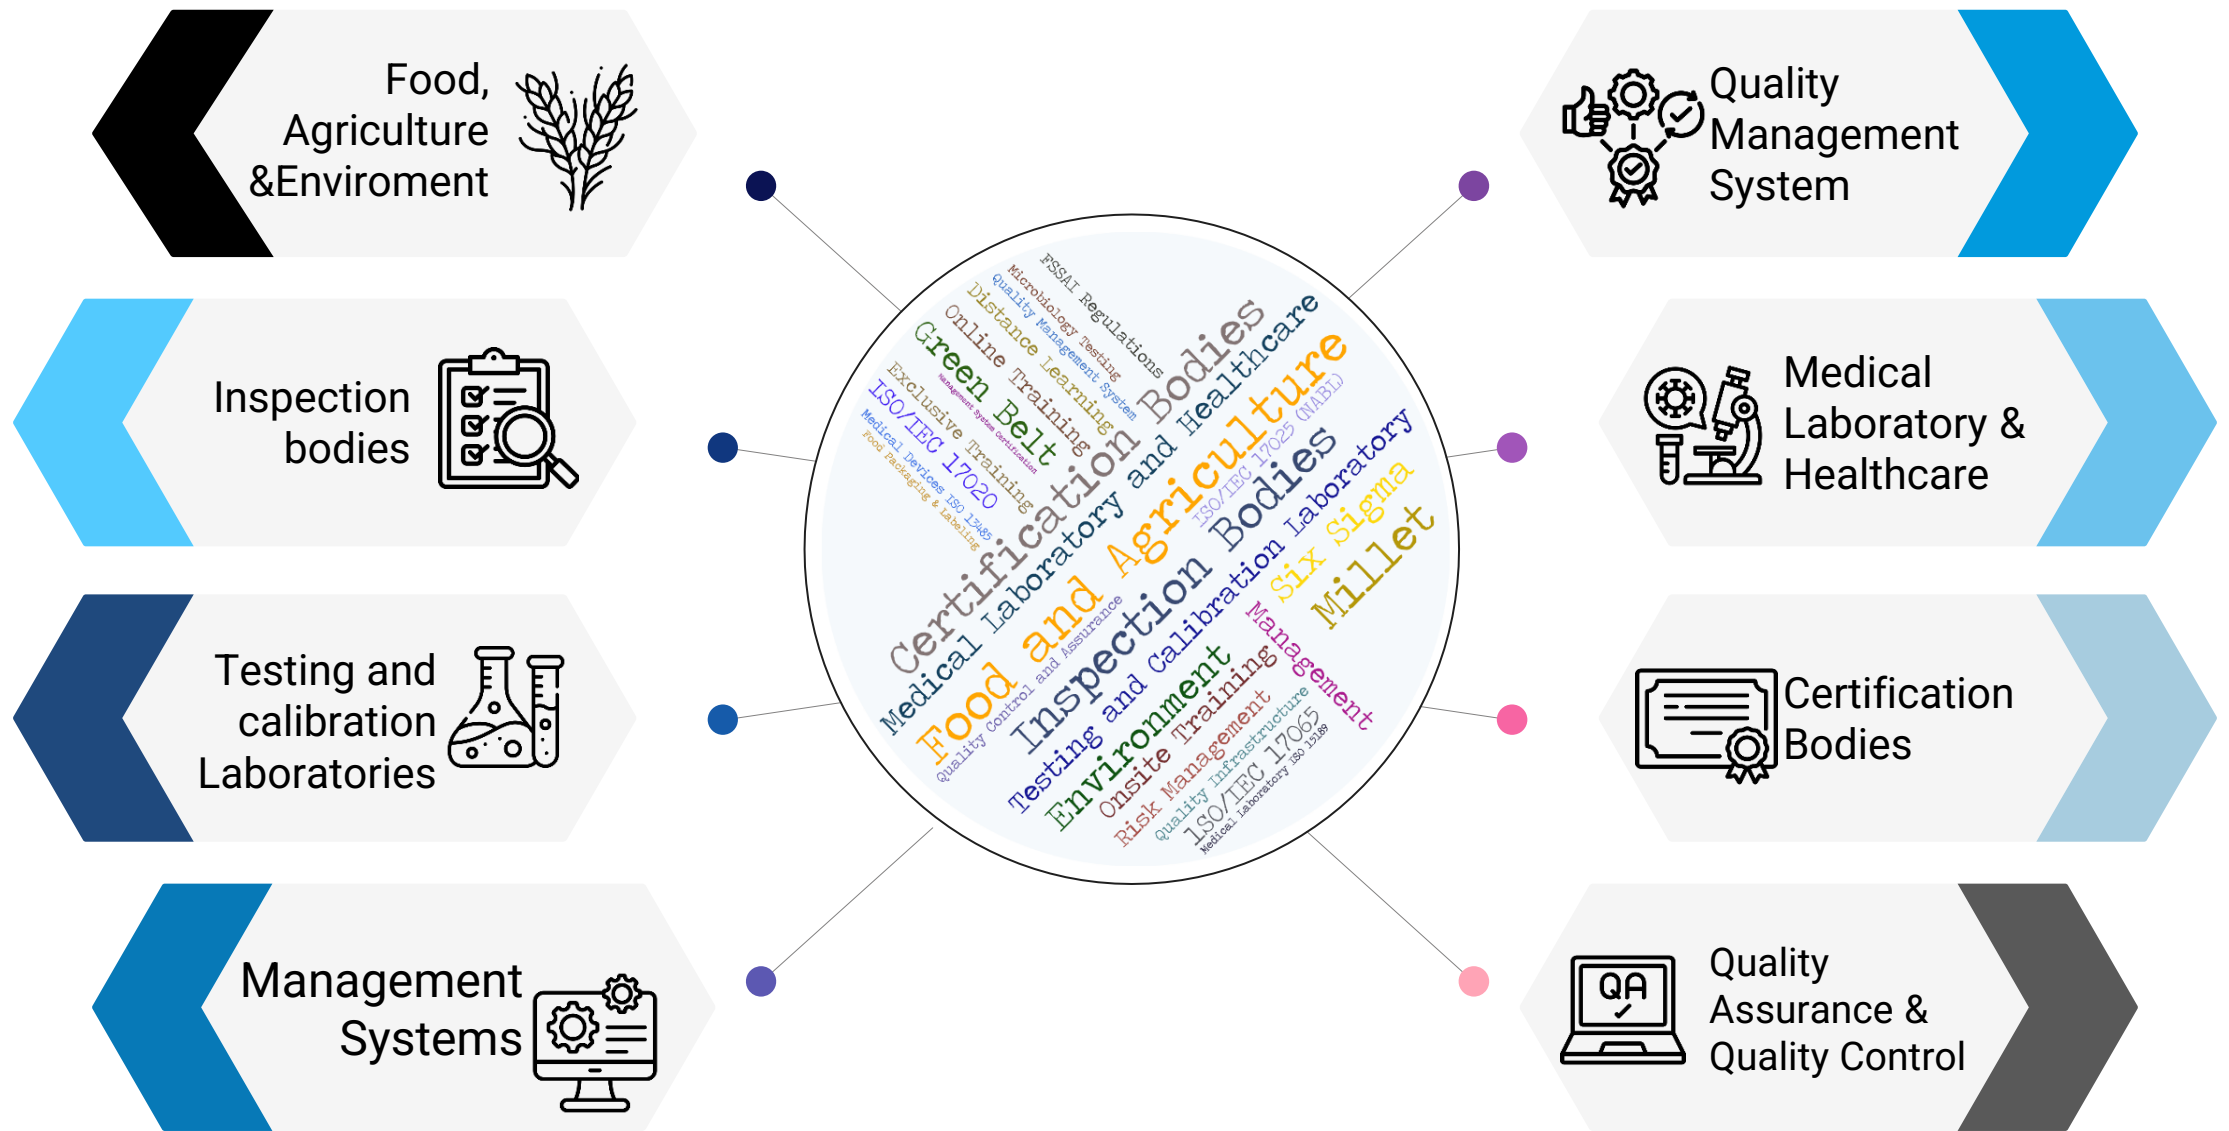

The goal of the TCB is to strengthen society by pursuing the finest attainable training, education, and awareness initiatives at the highest levels possible on a global scale. We aim to cultivate a global community of skilled professionals to meet current industry demands and lead transformative change.
